

Список публикаций А.Е. Березко

Статьи в журналах и сборниках

1. *Гвишиани А.Д., Березко А.Е.* Фокальный центр СТАКСИСа в России: Центр Исследования Геофизических Данных и Сетевых Технологий (ЦИГЕД) // Вестник Европейской Комиссии «Новости СТАКСИС» . 1999. Том 2. № 2. С. 40-45.
2. *Bonnin J., Gvishiani A., Shuliakovskaya T., Clusel R., Skillen J., Besimensky T., Beriozko A., Ilina T., Nechitailenko D.* Final report // Труды проекта СТАКСИС. 10 Ноября 1999. 38 с.
3. *Beriozko A., Diament M., Deplus C., Hebert H., Gvishiani A.* GIS-based recognition of linear objects in geophysical data sets // Computers and Geosciences. Submitted March 2001.
4. *Beriozko A.E., Diament M., Deplus C., Hebert H., Gvishiani A.D.* GIS-based recognition of linear features in bathymetry data of the Wharton Basin. Представлена в журнал Computers & Geosciences. 2001.
5. *Березко А.Е., Боннин Ж., Гвишиани А.Д., Шуляковская Т.Д.* Проект WISTCIS: современное состояние и перспективы // Новости WISTCIS. Ноябрь 2002. Том 2 . С. 2-4.
6. *Beriozko A., Baranov K., Mudure D., Shulyakovskaya T., Zvirblis E.* TELEBALT project: general scope // TELEBALT Newsletter. April 2002. Vol. 1 . P. 2-3.
7. *Beriozko A., Jean Bonnin.* TELEBALT project: state of the art and prospectives. //TELEBALT Newsletter. October 2002. Vol. 2. P. 3-4.
8. *Beriozko A., Mudure D.* Information Demonstration Centre in Latvia // TELEBALT Newsletter. October 2002. Vol.2. P. 6.
9. *Bonnin J., Beriozko A., Gvishiani A.* TELEBALT progress: second year of project development //TELEBALT Newsletter, June 2002. Vol. 3. P. 2-3.
10. *Beriozko A., Bigelis Z., Zvirblis E.* TELEBALT on the Web // TELEBALT Newsletter, June 2002. Vol. 3. P. 3-6.
11. *Beriozko A., Bigelis Z., Zvirblis E.* New project opportunities for Baltic States in the EU 6th Framework Programme // TELEBALT Newsletter, June 2002. Vol. 3. P. 15-20.
12. *Beriozko A., Bonnin J., Gvishiani A., Shulyakovskaya T.* WISTCIS project: state of the art and prospectives // WISTCIS Newsletter. November 2002. Vol. 2. P. 2-4.
13. *Beriozko A.* New CIS opportunities in the EU FP6 Programme // WISTCIS Newsletter, May 2003. Vol. 3. P.1-4.

Материалы и тезисы докладов конференций

1. **Beriozko A., Shulyakovskaya T., Burtsev A., Tatarinova T., Vasenin V.** On-line database of contacts for EU/CIS collaboration in telematics // STACCIS project report (STACCIS - Support for Telematics Applications Cooperation with the Commonwealth of Independent States), June 5, 1999.
2. **Beriozko A., Kedrov E., Ilyina T.** (CGDS, Russia). Center of Geophysical Data Studies and Telematics Applications (CGDS) and STACCIS Moscow IDC on the Web // Proceedings of European Commission-UNESCO Workshop "Telematics Applications for Research and Environmental Protection". KYIV-CHERNOBYL, Ukraine. February 18-20, 1999. Programme and Abstracts. P.27.
3. **Beriozko A.E., Diament M., Deplus C., Hebert H.**, 1999. Geographical information system and pattern recognition of linear structures for geodynamics and environmental protection // Proceedings of the International EU-UNESCO Demonstration Workshop "Telematics Applications for Research and Environmental Protection", Kiev-Chernobyl, Ukraine.
4. **Beriozko A.E., Diament M., Deplus C., Hebert H.**, 1999. Automated recognition of linear structures in geodynamical studies // Proceedings of the CODATA Workshop "Mathematical and Telematics Techniques for Large Data Sets Characterization and Compression", Paris, France.
5. **Березко А.Е., Заалишвили В.Б.** Представление оценок сейсмической опасности урбанизированных территорий с помощью ГИС // Международный симпозиум "Сейсмостойкость и инженерная сейсмология", Тбилиси, 19-21 мая 1999. Тезисы докладов. С. 79.
6. **Beriozko A., Deplus C., Diament M., Hébert H.**. GIS-based recognition of linear features in geophysical data sets: Abstracts // 17th International CODATA Conference, Baveno, Italy, October 15-19, 2000.
7. **Beriozko A., Z. Bigelis Z.** TELEBALT project on the Web // Proceedings of TELEBALT Workshop "Teleworking for Business, Education, Research and e-Commerce", Vilnius, Lithuania, 21-22 October 2002.
8. **Beriozko A., Bonnin J.** TELEBALT project: state of the art and perspectives // Proceedings of TELEBALT Workshop "Teleworking for Business, Education, Research and e-Commerce", Vilnius, Lithuania, 21-22 October 2002.
9. **Beriozko A.** IST promotion in Baltic countries as EU New Member States // Proceedings of the IST Event 2004, 15-17 November 2004, The Hague, The Netherlands.
